## ACKNOWLEDGEMENT

I take this opportunity to offer my sincere gratitude to my honourable Supervisor Dr. K.C. Das, Associate Professor, & H.O.D., Political Science, Assam University Diphu Campus, Diphu for supervising and guiding me during the entire course of my research. His constructive criticisms and comments from the initial conception to the end of the work are highly appreciated. I also wish to express my deepest gratitude to my respected teachers, Prof. R. R. Dhamala, H.O.D., Political Science, Assam University, Silchar, and Prof. Debasish Bhattacharjee, Prof Vice Chancellor, Assam University, Silchar for their valuable suggestions and help in improving this work. Further, I express my gratitude to respected Prof. Tanmay Bhattacharjee, Former HOD, Political Science, Assam University, Silchar for his valued suggestions during the course of my research. I am also thankful to all the other faculty members of the Department of Political Science, Assam University Diphu Campus, Diphu and Assam University Silchar Campus for helping me directly or indirectly during the course of my research.

My thanks also go to my parents for always encouraging me to finish my research works at the stipulated time.

I am specially grateful to my wife, Jyotsna for her constant encouragement and support and also for enduring with me the pain and agony that I had to undergo during the course of my research work. I am also indebted to my daughters, Kayenat (6 years old) and Tahiyat (3years old) for my inability to give them the time that the children of their age deserve from their father. My research works hardly gave me the opportunity to devote time for them.
