## ACKNOWLEDGEMENTS

I would like to express my deepest sense of gratitude to late professor Goutam Biswas, who was an inspiration behind this work both in terms of the theme and the line of inquiry. Without his loving pressure, this work would not have been possible. His demise is a huge loss to me, personally as well as academically in Assam University.

I specifically want to express my sincere gratitude to professor R.R.Dhamala, Supervisor, for her rock-solid support throughout the period of my work. Without her help and encouragement, this work could never have come to conclusion. I felt truly encouraged with her advice from time to time.

I am immensely thankful to Professor Debashis Bhattacharjee, for his full support and encouragement throughout my stay in the Department.

I would like to express my thanks to all my colleagues, Professor Jayathi Bhattacharjee, Dr Hari, Harsha, Debatosh Chakrabarty, Bijian Meetai, Tapan Das, Mohan Bora and Moses for their total support and encouragement.

I would like to extend my thanks to the staff-members of the Department of Political Science, AUS and the staff-members of the central library, AUS for extending their valuable cooperation.

I would like to express my thanks to my friends Kesav and Agni for always willing to come out in support of me.

I wouldn't be able to thank Sreedhar and Narsaiah enough for their last minute entry and taking the entire responsibility of proofs and corrections on their shoulders.

Thanks to my wife, Varalakshmi for patiently waiting all these years.
