CERTIFICATE

Certified that the thesis entitled “**Synthesis, Photoluminescence and Mesogenic Properties of Some d- and f-block Metal Schiff Base Complexes**” submitted by **Chitraniva Datta** for the award of the **Degree of Doctor of Philosophy in Chemistry** is a bonafide research work. This work has not been submitted previously for any other degree of this or any other University. It is further certified that the candidate has complied with all the formalities as per requirements of the Assam University. I recommend that the thesis may be placed before the examiners for consideration of the award of the degree of this university.
