CERTIFICATE

This is to certify that the thesis entitled “Subjective Wellbeing of Employees in North-Eastern Electric Power Corporation Limited (NEEPCO): An Exploration” for award of the degree of Doctor of Philosophy in Business Administration is an outcome of a bonafide research work. The report in full or any part of it has not submitted previously for any other degree to this university or any other institution. It is further certified that the candidate, Miss Satabdi Roy Choudhury has complied following all the formalities as per the guidelines/requirements for the award of PhD. degree in Assam University.

I recommend that the thesis may be placed before the examiners for consideration of award of the degree of Doctor of Philosophy.

Wish all good wishes!
