## **CERTIFICATE**

This is to certify that the thesis entitled “Factors Determining the Investment in Gold by Marwari Businessmen: Evidences from Exploration in Guwahati City, Assam” for award of the degree of Doctor of Philosophy in Business Administration is the outcome of a bonafide research work. The report in full or any part of it was not submitted previously for award of any other degree to this university or any institution. It is further certified that the candidate, Mr. Dinesh Agarwala, has complied following all the formalities as per the requirements for the award of Ph.D. degree in Assam University.

I recommend that the thesis may be placed before the examiners for consideration of award of the degree of Doctor of Philosophy.

With all good wishes!
