ACKNOWLEDGEMENT

Thanks to Almighty, the most gracious and the most merciful for enabling me to complete this work. This work would not have been possible without guidance, support and encouragement of my Supervisor Prof. (Dr.) Gyan Prakash Pandey, Professor, Dean of Abanindranath Tagore School of Creative Arts and Communication Studies & Head, Department of Mass Communication. Under guidance I successfully overcome many difficulties and learned a lot. His lovingly guidance inspired me for hard work. He has not only spent his valuable time in improving this work but also guided me to have an overall better understanding of the subject. I am greatly indebted to him for bearing with my mistakes.

I am also extremely indebted to my Co-Supervisor Prof. (Dr.) Gopalji Mishra, Professor and Head, Department of Social Work, Assam University, Silchar. I can't forget his hard times. Despite of all the problems and busy schedule he continues to prefer my research work and imbibe me the right path till to complete of my thesis. Without his valuable suggestions and scholarly corrections, this task certainly would not have been complete. His unflinching courage and conviction will always inspire me and I hope to continue to work with his noble thoughts.

My vote of thanks goes to all the faculty members of the Department of Mass Communication namely Dr. Charvak, Associate Professor, Dr. Partha Sarkar, Assistant Professor, Dr. S. M. Alfarid Hussain, Assistant Professor, Dr. Ayesha T. Rashid, Assistant Professor, Dr. Paromita Das, Assistant Professor and Dr. Raghavendra Mishra, Assistant Professor for their co-operation and assistance.

My sincere thanks to the technical staffs of the Department of Mass Communication, Assam University, Silchar especially Mr. Pranob Bhattacharjee and Mr. Kutub Uddin for their co-operation.

My due thanks to the official staffs of the Department of Mass Communication especially Mr. Pradip Sinha, Mr. Swagata Das and Mr. Dilip Gorb for providing me relevant information and kind co-operation during the research period.

I would also like to thank Dr. Mita Das, Post Doctoral Fellow who provided me whole hearted support and helped me in different way.
