**APPENDIX I**

**Map of Manipur State and Selected Districts of Manipur**

## APPENDIX II

### Manipur at glance

**Area:** 22,327 sq km

**Population:** 2,166,788

**Rural:** 1,590,820 (73.4%)

**Urban:** 575,968 (26.6%)

**Sex Ratio:** 978/1000

**Capital:** Imphal

**Principal Languages:** Manipuri, English

**Districts:** 9

**Literacy:** total 70.5% (male 80.3% and female 60.5%)

**Work participation Rate:** 43.6%

**Percentage of Scheduled Caste of total population:** 2.77%

**Percentage of Scheduled Tribe of total population:** 34.20%

**Density of population (per sq.km):** 107

**Household size:** 5.8

**Number of Household:** 375,095

## APPENDIX III

### Tools of data collection

#### INFORMATION PORFORMA FOR THE HEALTH CARE INSTITUTION (HOSPITAL/NGO)

##### **A. Identity**

1. Head of the institution:
2. Name of the Institution:
3. Office address (with district, pin code and phone number)
4. What type of institution is this?
  - i. Hospital**
    - (a) District Hospital
    - (b) Missionaries Hospital
    - (c) Any other Specify.
  - ii. NGO**
    - (a) Religious organization
    - (b) Service organization
    - (c) Development organization
    - (d) If any other. specify.
5. How far is the institution from the district town?

##### **B. Historical background**

1. When was the institution/organization established?
2. What factors did motivate to form this institution/organization?
3. Who was the initial promoter of this organization (name and social background)?
4. (If any) what were the initial aims and objectives of the organization? How many times did they change?
5. What was the programme started at the beginning? (Please mention name and nature)
6. When did the organization get registered?
7. How did you manage the land for setting up the organization?
8. How did you manage fund for the construction of organization building?
9. Is there any incident of shifting campus from one place to another? If so, please mention name, place and reasons for shifting.
10. What were the sources of funds in the beginning (before getting external funds)?
11. When did you receive first time external fund and for what reason?

**C. Basic information**

1. Philosophy, mission and vision of the organization
2. Present objectives of the organization:
3. Area of operation:  
No. of states  
No. of districts:  
No. of blocks or wards:  
No. of villagers:
4. Target group:

Sl. No.	Actual Beneficiaries	Volume (number of beneficiaries)

5. Organizational set-up:

--

6. What kind of infrastructural capacity do you have in order to carry out different programme?

--	--

7. How do you take decision in the organization? Is it taken democratically?

**D. Programme related information**

1. When did you start health care Programme and what was the nature of it?
2. What is your main health care programme now?
3. Programmes completed previously:

Sl. No.	Name of the Programme	Duration	Target Group	Budget	Sources of Fund	Nature of Activities & System of Service Delivery

4. Current Programmes:

Sl. No.	Name of the Programme	Duration	Target Group	Budget	Sources of Fund	Nature of Activities & System of Service Delivery

**E. Financial information**

1. Please indicate the turnover of your organization for the year 2005-2006

2. What are the sources of funds of your organization?

<b>Hospital</b>	<b>NGO</b>
Central Government	Central Government
State Government	State Government
Non-governing Funding Agencies (Indian)	Central Social Welfare Board
Foreign Funding Agencies	CAPART
Local Self Government	Non-government Funding Agencies (Indian)
Public Donation	Foreign Funding Agencies
Collection of Contribution	Local Self Government
Internal sources (Treatment cost etc.)	Public Donation
Any other, please specify	Collection of Contribution
	Internal Sources ( Income from land, bank balances, income generation programme, treatment, etc.)
	Any other, please specify

3. What problems or barriers do you find in financing (if there is any problems)?

4. What is your organizational policy pertaining to fund raising?

5.(a) Do you prepare annual budget? Yes/No

(b) If not, how do you manage?

(c) If yes, how?

(d) What criteria do you use for allocation of funds among the different Programmes?

#### **F. Information related to staff**

1. Please indicate the total number of workers:

(i) No. of full time paid staff:

(ii) No. of part time paid staff:

(iii) No. of honorary staff:

(iv) No. of volunteers:

2. Please indicate the characteristics of full time paid staff:

Sl.No.	Designation	No	Age	Sex (M&F)	Qualification	Experience	Salary

3. If you use part time worker, please indicate the categories and numbers:

Sl. No.	Category	No. of part time worker	Amount per person per month

4. Please indicate the following characteristics of part time worker.

Sl.No.	Designation	Nos.	Age	Sex	Qualification	Job

#### **G. Monitoring**

- (a) Do you monitor your programme activities, finance and staffs? Yes/No.  
(b) If yes, please indicate time, person and process involved in monitoring activities (for each programme).

#### **H. Other information**

- Please indicate the various strengths, weakness, opportunities and threats of the organization in terms of administrative work, programme implementation, finance, staff, beneficiaries, ideological issues and so on.

\*\*I have adopted this information performa with minor changes by looking at the study of Dr. Asok Kumar Sarkar (2005), 'NGOs: The New Lexicon of Health Care', Concept Publishing Company: New Delhi.

## INTERVIEW SCHEDULE IN UNDERSTANDING RCH

1. Title of the programme:.....

2. Objectives of the programme.....

3. Target group(s) of the programme:

Target Group(s)	Beneficiaries	Eligibility	Process of selection (role of target groups)	Volume & Distribution

4. What are the various components (Essential Component & Comprehensive component) of the programme?

Sl. No.	Various components	Nature of work

5. Do you think there is need for reproductive health services and general health services for the adolescents? If yes what are they?

6. Is there any specific facility/component for the adolescent group (mainly girls) through your programme? Yes/No. If yes, what are those components?

7. Do the adolescent girls come to your organization for their overall health and personal problems? Yes / No. If yes, what are the types of health complaints you received from the adolescent group for seeking the health services?

8. Do the adolescent girls come to your organization for specifically on reproductive health problems? Yes/No. If yes, what are the types of health complaints you received from the adolescent group for seeking the health services?

9. What are the essential nutritional needs to be given to the adolescent? Does the institution/NGO provide any services on nutritional supports for the girls?

10. What are the types of health complaints, which you have handled through your programme?

11. What are the needs for safe and supportive environment for the adolescents to grow in health environment?

12. What kind of infrastructural capacity do you have in order to carry out RCH Programme?

Facilities available	Types of activities undertaken
(a) IEC unit for disseminating information (b) Counseling center (c) Health Care Facilities	

13. Do you take up activities in the colleges on reproductive health issues? If yes, what are the topics you covered? How often do you conduct the programme?

14. Who are the participants: teachers / students?

15. What are the response from the students and the teachers?

16. Do you network with other agencies of disseminating the information?

17. Programme execution process:

(Beginning with launching the programme till the completion (if any)-each different components-responsibility of the different units of the organization at various phases)

18. Duration of programme:

Starting month and year:

Completion month and year (if any):

19. Area of operation of this programme:

No. of states (if applicable):

No. of districts:

No. of blocks (or wards):

No. of villages:

20. How much population is covered by your organization?

21. Does this programme provide service free of cost? If not, how does it provide?

22. (a) What are the resources (e.g. Manpower, Medicines, instruments, working shed, vehicle etc.) utilized in this programme? How do you arrange (collect) this resource? Please specify total budget and annual budget for this health care programme.

Types of Resources	Process of Resource Arrangement	Annual Budget	Total Budget

(b) Can you arrange this resource continuously for long time?

23. How do you make plan in this health care programme? (Top down approach or bottom up approach-with suitable example).

24. Please highlight the nature of actual participation of the beneficiaries at various levels of programme.

Sl.No.	Various Levels of Programme	Nature of Participation
1.	Need identification	
2.	Resource contribution and resource collection	
3.	Programme planning	
4.	Beneficiaries selection	
5.	Programme Implementation	
6.	Programme Monitoring	
7.	Programme Evaluation	

25. Do you recognize the people's contribution to the Programme? If so, how (please give with examples).

26. Do you provide support to people's organization to link with public development agencies (e.g. District Hospitals, Community health center, PHC Panchayats, Banks, etc.) for accessibility of the resources required for this programme? If so, please give details.

27. Do you hand over responsibility to carry out the programme to the target group? If so, what is the process of doing it?

28. (a) Do you use volunteers for health care programme? If so, what jobs are performed by them?

(b) Is there any criteria to select the volunteers? If yes, what are they?

(c) How many volunteers do you have for health Programme? Do you maintain continuous liaison with them? If so, how?

29. Please discuss the nature of staff mobility highlighting the numbers of staff left and reasons for the same in last year and this year.

Year	Month	Sl.No.	Designation	Nos. Left	Reasons for Leaving Job
2004-2005					
2005-2006					

30. Have the staffs/volunteers undertaken any training programme for dealing with the adolescent girls? Yes/No. If yes,

Sl. No.	Types of training	Topics	Organizers	Duration

31. Do you select health care staff from the community? If so, how? Which are the levels for which staffs are recruited from the community?

32. What staff related difficulties do you find in your institution/ hospital in implementing this health care Programme? (Difficulties in recruitment, competency of staff, turnover, conflict, not regular in the hospital and in the field.)

37. Please describe the health care expenditure under different heads for last year (2004-2005).

Heads	Expenditure (Rs.)	Availability (Rs.)	Source	Deficit (Rs.)	Surplus (Rs.)
Family planning					
Medicine					
Vaccines					
Nutrition					
Salary & allowances					
Traveling Administration					

38. Is this health programme associated with any other programme for which same resources are used, common staffs are involved and same monitoring system is followed? If so, please give details. (e.g. HIV/AIDS)

39. Is this programme dependent on any aspects like donor agency, willingness of the staff members etc.? If so, Please mention.

40. Do you monitor or regularly follow up your health care programme? If so, please mention person, period and process involved in monitoring or regular follow up of health care programme.

41. Investigator's observation:

42. What are the weakness and strength of your organization in running the programme?

43. Any comment you will like to add on.

**INTERVIEW SCHEDULE FOR DOCTOR/ COMMUNITY HEALTH WORKER/  
NURSE/ PROGRAMME OFFICER**

**A. Personal Data**

1. Name of the worker.
2. Designation
3. Age.....Sex..... Marital status
4. Educational Background
5. Number of years you have been working in the hospital.
6. In which area have you work experienced with?
7. Number of working days in a week
8. What is the total number of hours you work in the hospital/ NGOs?
9. Describe your typical day at work in the field and hospital.
10. Do you have to work beyond the working hours? Yes/No.
11. If Yes, how often and for what purpose?

**B. Awareness level**

12. How many training programme have you attended in the last three years?
13. Have you received special training for RCH Programme? Yes/No. If yes, what are the areas of the training programme?
14. Do you have IEC unit? If yes what are the roles of IEC in disseminating information to the girls and community as a whole?

15. Have you ever undertaken any activities on colleges on reproductive health related issues? If yes what are the topics you covered? If no what is the reason?
16. How often do you conduct in a year?
17. What are the response from the students and the teachers?
18. Do you network with other agencies o disseminating the information?

### **C. Health Care needs**

19. Who are your clients and with what types of problems do they come to you for help?
20. What differences had you seen in the health programme for the needs of people the last ten years since RCH had been implemented?
21. What are the services available for 11-19 years girls' under the RCH Programme for health problem?
22. Do you have any counseling center? If yes, what are the types of counseling do you provide to them? If no, do you think there is need of counseling center especially for adolescent? If yes why?
23. What are the essential nutritional needs to be given to the adolescent? Does the hospital provide any services on nutritional supports for the girls?
24. What are the needs for safe and supportive environment for the adolescents to grow in health environment?
25. What sort of common illness do you come across generally from the adolescent groups (specifically girls)?

26. What are the reproductive health problems complaints by the adolescents?
  
27. In the different components of RCH, what does RCH Programme mainly focus on for the adolescent girls?
  
28. Are you satisfied with the types of services you provide? Yes/No. If yes, how, if no why?
  
29. What do you think the importance aspects to reach out the RCH Programme services to the larger population of adolescents?
  
30. What are the constraints you faced in dealing with the adolescents through RCH Programme?
  
31. Any other comments you will to share on RCH Programme and services.

## INTERVIEW SCHEDULE FOR DETAILS OF ADOLESCENT.

Date.....

Name of the School:

Class: 10+1/ 10+2:

Parents Name: Mother .....

Location:.....

Serial no.

Father.....

### A. Personal Data:

*Please give the following information about yourself.*

1. What is your age?

- (a) 15      (b) 16      (c) 17  
(d) 18      (e) 10      (f) Any other, specify

2. What is your religion? Please specify.

- (a) Hindu      (b) Muslim  
(c) Christian      (d) Any others

3. What is your caste?

- (a) General      (b) SC  
(c) ST      (d) OBC

4. Which community do you belong to?

- (a) Meitei      (b) Meitei Pangan  
(c) Naga      (d) Kuki  
(e) Any other specify...

5. What is your educational qualification?

- (a) Science/Arts      (b) 10+1/10+2

6. What is the nature of your family?

- (a) Nuclear      (b) Joint  
(c) Extended      (c) any other

7. Do u have siblings? No/Yes.

8. If yes, number of siblings do u have.

Sl. No	Age	Educational Qualification	Relationship with u
a.			
b.			
c.			

### B. Household and Family Structure.

9. Type of Accommodation:

What is roof made of?

- (a) Thatch      (b) Tin  
(c) Cement      (d) Any other. specify...

10. What is floor made of?

- (a) Mud      (b) Cement  
(c) Wooden      (d) Any other, specify...

11. Number of rooms in the house without kitchen or bathroom.

- (a) 1
- (b) 2
- (c) 3
- (d) More than 4.

12. Number of rooms with kitchen or bathroom.

- (a) 1
- (b) 2
- (c) 3
- (d) More than 4.

13. Total number of persons in a house.

- (a) 1
- (b) 2
- (c) 3
- (d) More than 4

14. Toilet Facility.

- (a) Pit/latrine
- (b) Flush
- (c) No facility.
- (d) Any other, specify....

15. Source of water for bathing/washing

- (a) Pipe
- (b) Hand pump
- (c) Pond
- (d) River
- (e) Any other, specify.....

16. Electric facility. No/Yes

17. Family Income:

- (a) <3000
- (b) 3001-5000
- (c) 5001-7000
- (d) 7001-10000
- (e) 10001>

18. Number of earning members in the family.

- (a) 1.
- (b) 2.
- (c) 3.
- (d) More than 4.

19. Sources of income.

Sl.No.	Relationship with respondent	Sources of income

**C. Societal and Cultural aspects**

20. What are the physical changes occurring in you during adolescent period?

21. When you develop the physical changes, do you ask your

- (a) Peer group
- (b) Parents
- (c) Siblings
- (d) Any other

22. What are their responses? Did they clear your questions?

23. What is the change in societal perceptions when you develop the physical changes in your body?

24. Can you enumerate the emotional changes occurring in you during adolescent period?
25. Have you undergone any ritual rites when you reach your puberty? Yes/No, If yes, where were it held and what are they?
26. Are there any restrictions to you while having menstruation? (Like not allowing in the kitchen, temples for puja, etc). If yes, what are they?
27. Are there any restrictions to take normal diets while having periods? If yes, what are the types of foods, which are restricted? If yes, what will be the possible reason for restricting the food?
28. What are the festivals you celebrated?
29. Do you keep fasting for the festivals? If yes, how often do you keep fast? Is there any specific reason of fasting of each festival? If yes, can you elaborate on it?
30. How many meals do you take in a day?
31. What type of food do you take usually?  
 (a) At breakfast..... (b) Lunch.....  
 (c) Dinner..... (d) any other.....
32. Do u face any health problems? Yes/No. If yes, Specify...
33. Do you face any common menstrual problems? Yes/No, If yes, what are the types of problems you faced?
34. Do you share your health problems with others? Yes/No. If yes, with whom?  
 (a) Peer group (b) Family members  
 (c) Teachers (d) Doctors  
 (e) Any other, specify.....
35. Are you comfortable in sharing your personal problems (like reproductive health problems, irregular of menstruation, etc) with others? Yes/No. If yes, with whom?.  
 (a) Peer group (b) Parents  
 (c) Siblings (d) Any other
36. If no, what is the reason behind?
37. If you happen to share your problems with your parents/friends/elders, what are their responses?

38. If you are taken to the hospital for the treatment on reproductive health related problems. Do you find any misconceptions in the societal perceptions? (like any suspicious for abortions etc). If yes, can you elaborate anything related on it.

39. Are you allowed by your parents to take any decision of your own for any medical treatment? Yes /No. If yes, do you go with your parents/peers/any other specify.....

40. Do you take decision of your own career, academic and marriage? If yes, in what way? If no who does take the main decision?

41. Do your parents ask you before taking any decision? If yes how often and on what areas?

42. Is there any restrictions from your parents, society in mixing up with boys (classmate) in the colleges, tuition places, etc? If yes, what are the types of complaints you get from the parents and society?

43. What are the problems you faced being a girl in the society? (Like eve teasing, harassment etc).

44. From whom do you feel the girls get usually sexually exploited? (Different treatment with your brother by your parents /brother/society, etc)

45. What are the types of societal stigmas you faced in the society?

46. What is the status of girls in general in the society? (Education, decision-making, career wise etc.)

47. What is the societal causes/conflicts/unrest that affect your education and overall health as well/ life style? If yes, what are the problems you faced?

#### **D. Health care needs and Reproductive and Child Health Programme**

48. Whom do you prefer to consult for your health problems? Why?

(a) Private Doctor

(b) Government Doctor

(c) Chemist

(d) Priest

(e) Others.

49. Do you go to the doctor (private/government) when you have any health problems in general? If no why, if yes what are the types of health complaints you consulted with the doctors?

50. Do you go to the doctor (private/government) when you have reproductive related health problems? If no why, if yes what are the types of health complaints you consulted with the doctors?

51. How far is the hospital from your hometown (both Government and Private)?
52. How do you go to reach the hospital?
53. If you happen to go to private doctors for the same reason, why not to government hospital?
54. What is the nature of medication if you go to private doctor/government doctor/homemade medicine?
55. Is there any counseling center in the hospital? Yes/No? If yes what types of counseling do you get?
56. Do you get the safe and supportive environment in government/Private hospitals? Yes/No? If yes are you happy with the types of services you got from the hospital (their behavior, medications etc) Yes/No? If Yes, why? If no, why?
57. Have you heard of the Reproductive and Child Health Programme? Yes/ No.
- 58 If yes from where do you come to know and what do you know of it.
59. A girl not getting her menses for 2-3 months after menarche suggests that she is pregnant. Agree/ Disagree/Do not know. If disagree why?
60. Do you know about contraception? Yes/No
61. If yes, from where do u get the information?
62. Women should take responsibility for contraception? Agree/Disagree/Do not know. Agree why?
63. Have you heard of AIDS/STI/RTI? Yes/No?
64. If yes, from where do you hear of it? What do you know about it? What are the divisions of it?
65. Can you enumerate the risk behaviour responsible for transmission of HIV/AIDS?
66. How do you protect yourself from HIV/AIDS, Any information on it? If yes, what is that?
67. What are the common symptoms of RTI?

68. Do you think sex education is useful /not useful? Yes / No. If useful, why? If not useful, why do you think so?

69. Imparting sex education will help preventing RTI/STDs. Yes/No. If yes how much do you think and if no why?

70. What are the preventive methods of RTI/STDs and how can we prevent this?

71. Imparting sex education to adolescent girls increases promiscuous behaviour. Agree/Disagree/Do not know. If so, why?

72. How far it can be successful sex education without empowerment? Give comments.

73. Are you satisfied with the type of sex education you get? Yes/No. If no, why?

74. . Do you think the information you get from the School, NGO, hospital, mass media is relevant to you? If yes how far? If no, what are the things need to be covered?

75. What do you think about the Reproductive Child Health Programme services provided by Government on adolescent health?

#### **E. Awareness level**

76. Can you enumerate the reproductive organs in adolescent girls?

77. Where do you learn about this, how useful is this and what does it help you?

78. Do you share any physical changes in you on reproductive health to your parents? If yes, are you comfortable in sharing the information? If no, what is the reason?

79. To whom are you more comfortable to share the information or any health problems related? Mother / father. If mother why? If father why?

80. To whom do you clarify your queries on reproductive health issues?

- (a) Mother                      (b) Father                      (c) Brother
- (d) Sister                      (e) Relatives                      (f) Peers
- (g) Any other. Specify

81. What are the types of information you got from them on health related issues?

82. Do you listen together with your parents, watch together on TV, radio respectively on any reproductive health issues? Yes/No?

83. If yes, how do you go about it? If no, what is the reason behind?

84. Do you get the information on related reproductive health issues form other source also? Teachers/Books/seminars/workshop.

85. If yes what type of information do you get and on what occasion?

86. Do you have a counseling center in the School? If yes what are the types of counseling you get?

87. If no, where do you go and whom do you seek for any academics and any personal problems?

88. Do you have NSS unit in your School? If yes, what are the activities undertaken?

89. Are you a member of NSS? If yes elaborate the activities undertaken?

91. If yes, what have you heard from your community about the NGO's services?

92. What are the services you have availed with?

93. If you happen to avail the services, are you happy with the types of services they provide?

94. Do you have any other comment to share with?

## INTERVIEW SCHEDULE FOR THE PARENT

Date.....

### A. Personal data

*Please give the following information about yourself.*

1. What is your age:  
(a) 36-40                      (b) 41-45                      (c) 46-50  
(d) 51-55                      (e) 56 and above.
2. Sex- Male/Female
3. Your Educational qualification.  
I. (a) Illiterate                      (b) Literate  
II. (a) <5                      (b) 6-10                      (c) 11-12  
(d) B.A                      (f) M.A and above.
4. What is the nature of your family?  
(a) Nuclear  
(b) Joint  
(c) Extended
5. What is your family size?
6. How many children do you have?
7. What are their educational statuses of your children?

Sl.No.	Name of the children	Age	Educational Qualification
1.			
2.			
3.			
4.			
5.			
6.			
7.			

### B. Household and family structure.

8. Type of Accommodation:  
What is roof made of?  
(a) Thatch                      (b) Tin  
(c) Cement                      (d) Any other, specify...
9. What is floor made of?  
(a) Mud                      (b) Cement  
(c) Wooden                      (d) Any other, specify...
10. Number of rooms in the house without kitchen or bathroom.  
(a) 1                      (b) 2  
(c) 3                      (d) More than 4.

11. Number of rooms with kitchen or bathroom.

- (a) 1 (b) 2  
(c) 3 (d) More than 4.

12. Total number of persons in a house.

- (a) 1 (b) 2  
(c) 3 (d) More than 4

13. Toilet Facility.

- (a) Pit/latrine (b) Flush  
(c) No facility. (d) Any other, specify....

14. Source of water for bathing/washing

- (a) Pipe (b) Hand pump  
(c) Pond (d) River  
(e) Any other, specify.....

15. Electric facility. No/Yes

16. Family Income:

- (a) <3000 (b) 3001-5000  
(c) 5001-7000 (d) 7001-10000  
(e) 10001>

17. Number of earning members in the family.

- (a) 1. (b) 2.  
(c) 3. (d) More than 4.

18. Sources of income.

Sl.No.	Relationship with respondent	Sources of income
1.		
2.		
3.		
4.		
5.		

### C. Societal and cultural aspects

19. Are there any ritual rites to be performed at the age of puberty? If yes what are the ritual rites to be performed?
